The School of Pharmacy and Biomedical Sciences, is pleased to announce that the Registrar of the General Pharmaceutical Council (GPhC) has confirmed that the MPharm degree offered by the University of Central Lancashire has been re-accredited for a period of 6 years. A Doctor of Pharmacy (Pharm.D.; New Latin Pharmaciae Doctor) is a professional doctorate in pharmacy. In some countries, it is a first professional degree, and a prerequisite for licensing to practice the profession of pharmacy or to become a Clinical pharmacist. Pharm.D program has significant experiential or clinical education components in introductory and advanced levels. The basic requirement for pharmacists to be considered for registration is an undergraduate or postgraduate pharmacy degree from a recognized university. In many countries, this involves a four- or five-year course to attain a master of pharmacy degree (MPharm). In the United States of America, students graduating after January 1, 2003, must complete a doctor of pharmacy degree to become a ...» Online Examination Forms for D. Pharmacy & B.
