

# Download Slp Goal Bank Early Intervention

Lessons Ethical Considerations for Working with Early Childhood Intervention Length: 60 minutes.

Presentation This presentation was recorded live during a webinar to early intervention specialists and speech-language pathologists. FINANCIAL: Ellen Kester, Ph.D., CCC-SLP. Dr. Ellen Kester is the owner of Bilinguistics and receives a salary. Products sold by Bilinguistics are referenced as one of the resources. 8 best-selling, essential Speech and Language Products for the preschool SLP bundled together in a money-saving pack! This bundle saves over 20% off the cost of purchasing the items separately! Are you an SLP new to preschool, a recent grad, or a veteran SLP who wants to re-invigorate your therapy ...Getting to know the kids is the fun part of therapy. The first week of school I quickly wrote down these questions, printed them and cut them into individual question strips and put them in a box.
