Machiavelli reveals nothing less than the secrets of power: how to gain it, how to wield it, and how to keep it. 1. Biography. Relatively little is known for certain about Machiavelli's early life in comparison with many important figures of the Italian Renaissance (the following section draws on Capponi 2010 and Vivanti 2013) He was born 3 May 1469 in Florence and at a young age became a pupil of a renowned Latin teacher, Paolo da Ronciglione. The New World Order or NWO is claimed to be an emerging clandestine totalitarian world government by various conspiracy theories.. The common theme in conspiracy theories about a New World Order is that a secretive power elite with a globalist agenda is conspiring to eventually rule the world through an authoritarian world government—which will replace sovereign nation-states—and an all ...
